Interview (December 2004)

[http://www.networkcultures.org/weblog/archives/2004/12/luna\\_maurer\\_int.html](http://www.networkcultures.org/weblog/archives/2004/12/luna_maurer_int.html)

'By crystallizing structures and making systems visible she wants to purify information and communication and make them more honest.'

## Grijsblock and Grey Movie

<http://www.poly-luna.com/>  
under 'G'

*'How can we combine all elements of a non-homogenous whole and let them function together?'*

'Luna Maurer visualizes the concept "thinking as a rhizom" as it appears in the philosophy of the French philosopher Gilles Deleuze (1925-1995).'
